Location: Online

Acknowledgement of Financial Commercial Support

No financial commercial support was received for this educational activity.

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must listen to each self-directed audio recording while following along with the visual slides/read the articles, pass the post-test with a score of 80% or higher and complete an evaluation form to receive a certificate of completion. If you need MOC credit, you also need to pass a posttest with a score of at least 80%. Your chosen sessions must be attended in their entirety. You must participate in the entire activity as partial credit is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and American Transplant Congress. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Amedco Joint Accreditation Provider Number: 4008163

Physicians

ACCME Credit Designation Statement

Amedco LLC designates this material for a maximum of 100.25 *AMA PRA Category 1 Credits™* for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Pediatrics MOC

American Board of Pediatrics (ABPeds) MOC Part 2 Credits

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 46.00 MOC Part 2 points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit. Participant must complete the assessment within 30 days of the activity. Participant information will be uploaded to ABP 30 days post activity.

You must request your certificate within 30 days of the activity to meet the deadline for submission to PARS.

American Board of Internal Medicine (ABIM) MOC

American Board of Internal Medicine (ABIM) MOC Credit

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 46.00 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

You must request your certificate within 30 days of the activity to meet the deadline for submission to PARS.

American Board of Surgery (ABS) MOC

American Board of Surgery (ABS) MOC

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME and/or Self-Assessment requirements of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

Max available points: 46.00 Self-Assessment MOCs / 100.25 Accredited CME MOCs

You must request your certificate within 30 days of the activity to meet the deadline for submission to PARS.

Objectives - After Attending This Program You Should Be Able To

1. To provide a forum for exchange of new scientific and clinical information relevant to solid organ and tissue transplantation.
2. To create an arena for the interchange of ideas regarding care and management of organ and tissue transplant recipients.
3. To facilitate discussions of socioeconomic, ethical, and regulatory issues related to solid organ and tissue transplantation.

Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco.
